

# Everyone is GaGa over **GaGa Ball!**

## What is it?

GaGa is a sport for all ages and abilities similar to dodgeball. GaGa translates to “touch-touch” in Hebrew and the game is thought to have originated in Israel. GaGa’s popularity has continued to rise in the US and is extremely popular at camps, schools and playgrounds everywhere!

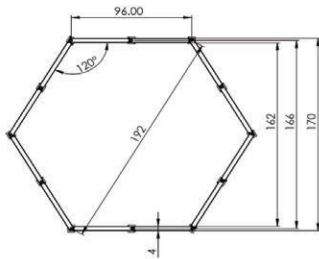

# Our Pits

Action Play Systems offers 3 sizes of GaGa Ball Pits for indoor or outdoor use. Each kit is constructed utilizing our 12" high playground borders connected with our proprietary stanchions, specifically for our GaGa Ball Pits. Additionally, Action Play Systems GaGa Ball Pits come standard with our exclusive ADA Gate for easy pit entrance and exit, as well as, ADA

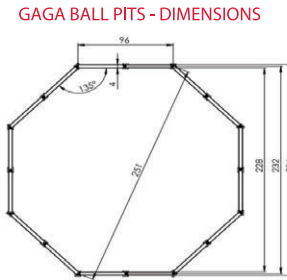

wheelchair accessibility. Once installed, our GaGa Ball Pits are 28" high allowing for maximum ball rebound and consistent play. Our stanchions can be permanently anchored if desired (not included) and are coated for maximum durability. Additionally, our proprietary stanchion design allows each wall of the GaGa Ball Pit to be raised 4" for easier cleaning of debris.
